PROPERTYMELD

How Property Meld will benefit you as a property owner or investor

▸ Who are we?

We are a software the streamlines the maintenance process and improves satisfaction for all parties. This means the management company, your residents, and maintenance can stay in constant communication and perform repairs at lightening-fast speeds. Property Meld's goal is to keep renters happy, keep owners up to speed, and maximize the performance of the maintenance team. We know happy renters equal renewing rentals, and that's what our software does!

▸ Owner approvals have never been easier
